

“The Race to End Hunger!”

**28th Annual Celebrity Chefs Brunch benefiting
Holiday Meals on Wheels & Aging Services
Sunday, November 3, 2019**

The Celebrity Chefs Brunch combines a gourmet multi-course meal with a fun theme, silent and live auctions. Your generosity will help support aging services and allows the Holiday Meals on Wheels program to achieve its goal of providing hungry, at-risk elders with the most basic of human needs, one nutritious meal a day, every day and is vital to our mission of keeping seniors safe and in their homes. This program survives on special events, donations, and community support to provide for at-risk seniors.

What is Food Insecurity?

- Many seniors experience problems with the availability, accessibility and utilization of food they can't get to the store, are physically unable to prepare meals, etc.
- Food insecurity among low-income seniors is a special concern due to unique nutritional needs and health conditions requiring special diets.
- The publicly funded program is limited, so on weekends and holidays seniors might go without a nutritious meal, many choosing between food and medicine, utilities, etc.

Why Holiday Meals on Wheels?

- The mission of Holiday Meals on Wheels is to provide our vulnerable and nutritionally at-risk seniors with the most basic of human needs - one nutritious meal a day, every day and is vital to keeping seniors safe and in their homes.
- In 2018, 30,000 + nutritious meals were provided to seniors in the counties we serve.
- In addition to the food delivery, friendly and familiar volunteers provide a wellbeing check for seniors that may otherwise not have any other daily interaction.

Key Donation Benefits

- Personal satisfaction of helping to alleviate hunger among our seniors.
- Recognition of your support and a listing in our Silent Auction program book.
- Exposure to the over 550 attendees of the Celebrity Chefs Brunch.
