Requires the Department on Aging and the Departments of Human Services and Healthcare and Family Services to adopt rules, but not emergency rules, regarding the updated assessment tool. Contains provisions concerning continued eligibility for persons made ineligible for services under the updated assessment tool. Amends the Illinois Act on the Aging. Prohibits the Department on Aging from adopting any rule that: (i) restricts eligibility under CCP to persons who qualify for medical assistance; or (ii) establishes a separate program of home and community-based long term care services for persons eligible for CCP services but not eligible for medical assistance. Prohibits the Department from increasing copayment levels under CCP to those levels in effect on January 1, 2016. Amends the Illinois Public Aid Code. Deletes a provision concerning an increase in the determination of need scores, on and after July 1, 2012, from 29 to 37. Amends the Nursing Home Care Act. Prohibits the involuntary discharge of an individual receiving care in an institutional setting as the result of the updated assessment tool until a transition plan has been developed. Effective immediately.

Synopsis As Introduced

Amends the Minimum Wage Law. Makes a technical change in a Section concerning the short title.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Amends the Illinois Income Tax Act and the Minimum Wage Law. Provides for an increase in the minimum wage and for a credit against withholding payments in relation to the increase. Increases the minimum wage to \$9.25 per hour beginning January 1, 2020. Provides for annual increases in the minimum wage culminating in a minimum wage of \$15 per hour beginning on January 1, 2025. Provides to employers with 50 or fewer full-time equivalent employees a credit against tax withheld beginning January 1, 2020. Reduces the credit beginning January 1, 2021. Provides employers may claim the credit amount in effect on January 1, 2025 until December 31, 2026 and that employers with no more than 5 employees may claim that credit until December 31, 2027. Authorizes the Department of Labor to perform random audits of employer to ascertain compliance with the Minimum Wage Law. Authorizes a penalty of \$100 per employee for failure to maintain required records. Effective immediately.

Pension Note (Government Forecasting & Accountability)

There is no readily discernible fiscal impact associated with SB1, as engrossed. To the extent minimum wage workers participate in pension funds governed by the Pension Code, there could be an increase in accrued liability, but it would presumably be very small and likely actuarially insignificant.

State Debt Impact Note (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Dept of Revenue)

Increasing the minimum wage to \$15 per hour over 6 years increases state revenues. The positive effect on tax revenue, in the form of income and sales taxes, is only slightly offset by the negative effect on income tax revenues of the tax credit extended to eligible businesses. Overall, the net impact of this proposed legislation is an increase in state revenues of nearly \$390 million by fiscal year 2027. The positive effect on tax revenue is produced by the additional income tax collection and sales tax collection given by higher wages and personal consumption expenditure in the state economy. We estimate Individual Income tax (IIT) revenue at the current individual income tax rate of 4.95 percent. The estimate for Sales Tax revenue values were decreased to account for the fact that the state does not tax services and receives no share of revenue on food for consumption off site, prescription drugs or certain medical devices. The negative effect on Income tax revenue is due to the tax credit against withholdings. The tax credit for eligible employers is a declining percentage of the wage increment defined as the differential between the employee's hourly wage from the final quarter of the previous calendar year and the State's minimum wage of the present year). The credit, applied on a calendar year basis, is set to scale down over the course of the ramp (to year 2025) at which point the calculation of the credit shifts to a flat, fixed dollar amount. The schedule of credits is as follows: 25% credit in 2020; 21% credit in 2021; 17% credit in 2022; 13% credit in 2023; 9% credit in 2024, and 5% credit in 2025. In calendar year 2026, the credit for businesses is fixed to match the credit taken in 2025; in calendar year 2027, the credit for those businesses with 5 or fewer employees is fixed to match the credit taken in 2025. In calculating the cost of the tax credit, we considered the number of minimum wage jobs increasing from \$8.25 in 2019 to \$10.00 in 2020, from \$10.00 to \$11.00 in 2021 and so on until 2027. We discounted those jobs in firms with more than 50 employees using Census bureau data on small firms in Illinois. We considered 1750 hours of work as full time in accordance with prior studies on the subject. All estimates above are static estimates, meaning that they do not account for changes in the labor supply and demand associated to the increase in labor cost.

Home Rule Note (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does create a State mandate.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to SB 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Correctional Note (Dept of Corrections)

There is no fiscal or population impact on the Department of Corrections.

Judicial Note (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State of Illinois.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

SB 2055

Short Description: DHS-PUNS DATABASE

Senate Sponsors

Sen. Laura M. Murphy

Synopsis As Introduced

Amends the Department of Human Services Act. Removes language requiring the Department of Human Services to maintain a disability services database and instead requires the Department of Human Services to compile and maintain a Prioritization of Urgency of Need for Services (PUNS) database of Illinois residents with an intellectual disability or a developmental disability, including an autism spectrum disorder, and Illinois residents with an intellectual disability or a developmental disability who are also diagnosed with a physical disability or mental illness and are in need of disability services funded by the Department. Provides that the PUNS database shall be used to foster a fair and orderly process for: (i) processing applications for services funded by the Department, (ii) verifying information, (iii) keeping individuals and families who have applied for services informed of available services and anticipated wait times, (iv) determining unmet need, and (v) informing the General Assembly and the Governor of unmet need statewide and within each representative district. Requires the Secretary of Human Services to seek input from specified advisory bodies and committees with regard to the establishment, maintenance, and administration of PUNS. Contains provisions concerning the type of information to be collected and maintained for PUNS; the Department's development of a web-based verification and information-update application; notice of services to individuals listed in the PUNS database; and other matters.
